EDUCATION

Bachelor of Technology in
Computer Science &
Engineering

College of Technology and
Engineering (CTAE).
2022 – 2026 (Pursuing).
Current CGPA : 6.53

Alok Senior Secondary
School
(class 12th): 2022 | 83.4%
(class 10th): 2020 | 79.2%

SOFT SKILLS

- Critical Thinking
- Communication
- Adaptability
- Problem solving

ACHIEVEMENTS

- 250+problem solved
[multiple platforms].
- Certification in java
- CodingContest
participant.

PROFESSIONAL OVERVIEW

A passionate and self-driven Computer Science graduate with strong frontend development skills and a solid foundation in data structures and algorithms. Eager to contribute to impactful projects and continuously grow as a software developer.

TRAINING EXPERIENCE

Completed during Second Year of B.Tech.

- Underwent training focused on the basics and core principles of Computer Science.
- Developed problem-solving skills and logical thinking through hands-on exercises and theoretical sessions.
- Built a strong base for further studies and practical applications in the field of Computer Science.

TECHNICAL SKILLS

- Programming: JavaScript, Java, C++
- Web: HTML, CSS, React, Tailwind, Redux
- Tools: Git, GitHub, VS Code, Vite.
- Coding platforms : GFG, Leetcode, codeChef etc.

PROJECTS

Spotify Clone with Video Features

- Built a fully functional frontend clone of Spotify with a modern UI.
- Added custom video support features to enhance user engagement.
